1 Bedroom, 1.00 Bathroom, 880 sqft

Residential on 0 Acres

N/A, Los Angeles,

There's something very sweet and sincere about this one bedroom condo in a 1923 Los Feliz fourplex. | It's a unit with vintage character and details that honor a methodical old world build. | Bullneck baseboards on dark stained floors, sturdy carved framing on the windows, thresholds and original doors with a rosace motif. | In the dining room is a Shaker style built-in hutch and plenty of natural sunlight through out. | In unit washer/dryer, low HOA, two designated spaces to park, and a walk score so good you might not need a car. | If you've become attached to everything this neighborhood offers, Skylight Books, good coffee, The Vista Theater and you also need charm - this would be the place.

Built in 1923
