Residential on 0 Acres

N/A, Artesia,

Beautifully maintained and updated 3 bed / 2 bath home situated on a cul-de-sac street in a peaceful location. Built by an architect and developer of many distinctive Orange County homes from the 1960's onward. Quality of construction and well designed spaces were their signature. A spacious and open plan connects seamlessly to the expansive rear yard through a large sliding door. The renovated kitchen is adjacent- with plentiful storage and a well organized workspace. The home's floor plan is a thoughtful distribution of space- placing all three bedrooms off a central hallway with guest bath. The primary bedroom has it's own en-suite bath. Some of the recent updates include fresh paint and flooring, roofing, HVAC, recessed lighting, and double pane windows throughout. A rare opportunity in one of the city's most desirable locations- just one block from the Los Cerritos Center, within a highly rated school district, and in close proximity to many excellent restaurants and amenities.

Built in 1967
