Residential on 0 Acres

N/A, Hawthorne,

Beautifully updated single-family home in the highly sought-after Del Aire neighborhood. This 3-bedroom, 2-bath home has a wonderful open floor plan that integrates the fully equipped kitchen, dining, and living areas. The kitchen has granite countertops with a large island, and stainless steel appliances. The extra large primary bedroom and primary bathroom are located on the back wing of the home, and two more bedrooms and a full second bathroom complete the home. The two bathrooms have granite countertops, tile floors, and tile showers. The home also has a washer/dryer, central heat, recessed lighting, crown moldings, laminate hardwood flooring, dual pane windows, an electric car charging station, and fully paid-for solar panels. The spacious backyard has plenty of space for al fresco dining, gardening, and play. A raised garden bed and a lime tree (with irrigation) bring a touch of green to the space. There's also a modular shed tucked away for added storage. The spacious two-car garage is currently used as a front flex space for a home gym or extra storage, and shelves in the back. Keep the garage as is, convert it back to a traditional garage, or build an ADU. This is your chance to own a well-designed home in a connected, community-focused neighborhood. Just minutes from Del Aire Park, convenient to the 405 and 105 freeways, and a short commute to top aerospace companies including SpaceX, Los Angeles Air Force Base, Northrup Grumman, Raytheon, Boeing,

and the Aerospace Corporation, and three miles to the beach. Located in the highly regarded Wiseburn School District, this home offers comfort, convenience, and a great location.
