Why pay rent when you can own? This turnkey Spanish-style charmer checks every box with elegant interior finishes, private outdoor spaces, and opportunities for future expansion all within easy access to everything the Westside has to offer! High ceilings and broad interior arches create a versatile, light-and-bright living space with two connected living rooms plus a designated dining area. The kitchen is a master class in the power of radiant white, with custom cabinetry and a glossy tile backsplash from the ceiling to the stone countertops juxtaposed with stainless appliances and a farmhouse sink. Positioned far from the street at the back of the home, the primary and second bedrooms give a sense of tranquility with windows pulling in lots of natural light. Each of these rooms features rich-toned manufactured wood flooring laid out diagonally to improve the flow of space. The renovated bathroom enhances character with matte porcelain floors and contemporary tile on the walls. Underneath the house is basement storage area just waiting to become a wine cellar. An outdoor patio separates the home from a detached two-car garage that creates the perfect opportunity for value-add expansion. Move in now and expand later by converting it into a detached bonus suite or even a cash-flowing ADU with its own private backyard and side patio or dog-run. Visit today and also find out about the seller's favorite dining, artistic and recreational opportunities.
