4 Bedroom, 4.00 Bathroom, 2,885 sqft
Residential on 0 Acres

N/A, Los Angeles,

Offered for the first time in a generation, this design inspired residence is a rare find in the hills of Los Feliz. Tucked above the street with sweeping Rowena reservoir and hillside views, the home unfolds across more than 2800 square feet, with a perfect balance of high end design and everyday casual comfort. Hidden behind a secure and private exterior with an expansive flat lawn, the (approx) 8000 square foot lot provides the feeling of a much larger estate. A property with entertaining and outdoor living in mind, paths lead to a hotel sized pool and many seating and lounging areas. Inside the main level of the house is filled with light. Floor to ceiling windows create a modern and airy environment with warm toned wood floors anchored by a tiled fireplace with views of the lush lawn, the reservoir and vibrant neighborhood beyond. The kitchen, while separated from the living spaces, is open with well designed work spaces, appliances from Aga and Fisher and Paykel, and a wood topped island spanning the length of the space. There are three bedrooms plus an office on the main level with a primary bedroom framed by iron doors opening on to a private deck and lovely views. Additionally on the lower level, a fully separate ADU with living area, kitchenette, bedroom, and its own private bath offers an additional inviting living or working space. Set within the coveted Ivanhoe School District, and just minutes from Griffith Park and the lively Los Feliz Village, this is a rare opportunity and a true

neighborhood gem.
