A true architectural gem located on one of the best lots in Little Holmby. Designed by architect Percy Parke Lewis in 1932, this Spanish Colonial Revival is a masterwork of authentic architecture, lovingly and carefully restored. While preserving every stunning detail, this home has been carefully and subtly modernized for today's family living, ready to move in, incorporating a graceful layout including a wonderful chef's kitchen opening seamlessly to the family room, generous bathrooms, spacious closets, and everything needed for today's modern and comfortable living. Irreplaceable stenciled hand carved woodwork, ironwork details, and mahogany paneled library with wet bar have all been fully enhanced and restored to elevate this very special property to a work of art. The primary bedroom suite is a dream retreat with spa-like bath and room-sized dual closets. Situated on a unique promontory lot a stone's throw from Holmby Park, this is one of the rare sites in Little Holmby with views of snowcapped mountains and the city skyline, the flat lot encompasses nearly 11,000 square feet of land with gorgeous mature landscaping, creating a setting that feels a world away in one of the city's most desirable locations.
