N/A, Studio City,

This updated 2-bedroom, 2-bathroom townhouse offers the perfect blend of comfort and convenience in one of the Valley's most sought-after neighborhoods. The multi-level layout is bright and inviting, featuring custom plantation shutters, adjustable lighting switches, a brand-new alarm system, and other modern upgrades throughout. Upstairs, you'll find two spacious bedrooms with high ceilings and an extra-large bathroom with a double vanity because let's be honest, that's a must. One of the home's most unique features is the private, air-conditioned two-car garage, currently set up as a guest room and office. With epoxy flooring, a washer and dryer, and plenty of storage, it's a truly flexible space that can adapt to whatever you need. To top it all off, the building has been recently updated with a new roof and fresh exterior paint. Located just a short walk from Studio City favorites like Equinox, Erewhon, M Street Coffee, Casa Vega, and Beeman Park (which doubles as a great evening dog park), this home puts the best of the neighborhood right at your doorstep.
