

\$1,999,950 - 8374 Yucca Trail, Los Angeles

MLS® #25515133

\$1,999,950

4 Bedroom, 4.00 Bathroom, 2,250 sqft
Residential on 0 Acres

N/A, Los Angeles,

Just a five-minute drive north of Sunset Boulevard, 8374 Yucca Trail offers the perfect fusion of a luxurious Hollywood Hills residence and the natural beauty of historic Laurel Canyon. Set on a quiet, hidden hillside road amidst tall trees and natural greenery, this 4-bedroom, 4-bathroom home is secured by two gates and high walls, providing privacy and exclusivity. Its expansive three-car garage complete with Tesla charger, is complemented by a wide driveway that accommodates an additional four vehicles, a rare convenience in the Hollywood Hills. After a complete kitchen renovation with top-of-the-line Thermador appliances and striking white marble countertops, the property underwent a full interior and exterior makeover in 2023-2024. Updates include new interior doors, refinished white oak flooring, and glass French doors that open to balconies overlooking the surrounding landscape. The home is also equipped with a central sound system, with ceiling speakers in every room. The first floor is designed as a versatile den, office or screening room with a private entrance. A custom wall of shelves from Resource Furniture cleverly swivels to reveal a Murphy Bed, transforming the space into a guest room complete with its own full bathroom. The Living Room and Primary Bedroom feature the latest EcoSmart bio-ethanol fireplaces, which require no chimney, flue, or gas line. A new bar area complete with wine refrigerator and separate beverage fridge is nestled beneath the

staircase that leads to the upper floor. The Primary Bedroom is highlighted by a dramatic 13-foot domed ceiling and a spacious walk-in closet. The en-suite bathroom features a luxurious jacuzzi tub and a separate rain shower. The home also boasts a new "torch-down" roof with a 20-year warranty, ensuring peace of mind for years to come. Completing the property is a recently re-tiled swimming pool with a waterfall feature and a relaxing spa, creating an ideal space for outdoor entertaining.

Built in 1991
