N/A, Pacific Palisades,

645 Palmera Ave is a 7,738 square foot lot nestled between the highly sought after El Medio Bluffs and Marquez Knolls neighborhoods of Pacific Palisades. The original structure measured 3,400 square feet giving you the opportunity to rebuild a sizable home with an ADU, a yard, and both ocean and mountain views. Per the Seller, there is an opportunity for a 3700+ sqft structure and 500+ sqft ADU with the 10% allowance and expedited permitting. Phase 2 clearance will begin on April 14th and be completed shortly thereafter. The current owners can provide the new (post burn) rough architectural plans with due diligence on the max build size using expedited permitting with all hillside ordinance, setbacks, and roof limits taken into account. This is an opportunity to build your dream home in close proximity to the Palisades Village, Pali High, Temescal Canyon, local beaches and more. Please contact LA1 for more details on the development potential as well as photos of the beautifully remodeled home prior to the Palisades Fire.
