Residential on 0 Acres

N/A, Los Angeles,

Incredible city, mountain, and treetop views of Griffith Park touch every room in this turn-key and romantic Los Feliz home. A walk-in gate and two car garage provide security and discretion from the street. Once inside, a staircase with a terraced garden leads down to the front door. Gorgeous trees and plantings, a bubbling fountain, and songbirds fill the garden with charm. On the entry level are two primary bedrooms with en-suite bathrooms, a formal living room, cozy den, and a large terrace. Downstairs you'll find the renovated kitchen with Viking and Bosch appliances, combined family and dining rooms, an additional bedroom with en-suite bath, laundry room, and a fourth full bathroom. A wrap around terrace off the kitchen and family rooms leads to a large outdoor living and dining area, with an additional terraced garden. Recent additions include a sunny office on the lower garden level, a windowed gym below the garage, and new air filtration and water filtration systems throughout the main living area. The garage was redone in 2024 to add storage cabinets and a sleek epoxy floor. This fully renovated, turn-key, traditional home in the hills above Los Feliz is not to be missed.
