3 Bedroom, 3.00 Bathroom, 1,850 sqft
Residential on 0 Acres

N/A, Los Angeles,

Located on an idyllic, tree-lined street in North Kentwood, this 1,850-square-foot remodeled single-family home exudes enchanting curb appeal with its magnificent magnolia tree, perfect for a swing. As you step inside, you'll be greeted by an spacious foyer leading to two living areas adorned with hardwood and ceramic floors, recessed lighting, and dual pane windows that fill the home with natural light. The gracious living room, with a cozy wood-burning fireplace, seamlessly flows into the formal dining area. The well-appointed kitchen is a chef's dream, featuring an island with breakfast counter, greenhouse window, drybar with built-in wine cooler, and an open layout to the casual family room. This ideal entertaining space extends through French glass doors to a perfectly landscaped and tranquil backyard retreat. Step outside to discover a built-in BBQ kitchen, tile patio, and spa, providing the perfect setting for al fresco dining, entertaining, or simply relaxing at the end of the day. The three bedrooms include a spacious master suite with a walk-in closet and upgraded spa-like bath featuring a travertine shower, a junior master bedroom with an en suite bath, and a third bedroom with an additional separate bath. Additional amenities include central heating and air conditioning, a full size utility room and a detached finished garage, currently utilized as a flex space and potential for an ADU conversion. Situated in a prime location, this home is just a short distance from local amenities, including dining,

shopping, the beach and convenient access throughout the Westside.
