Residential on 0 Acres

N/A, Los Angeles,

Upon entering the custom-designed front door, one can sense the rich 100+ year history of this magnificent craftsman-style California bungalow 5BD/2BA two-story home. Carefully preserved are many of its elegant original windows, built-ins, and ceiling beams. Situated midway between Los Feliz Village on Vermont and the trendy Hillhurst restaurant row, 4534 Russell is a deep-rooted classic home featuring original oak floors, a cozy sunroom, ample storage space, a rear laundry/mudroom, and 9-ft ceilings throughout the lower level including the kitchen which features a classic O'Keefe and Merritt stove. Not included in the square footage is the spacious second-level walk-in attic which spans the width of the home and offers numerous possibilities: playroom, storage area, or build-out. Other highlights include a recently painted interior, an original built-in china cabinet, a 2-car garage with automatic door, breakfast deck overlooking the back yard, and a grand front porch untouched by time with a view of Griffith Observatory.
