N/A, Venice,

A striking fusion of Scandinavian minimalism and modern functionality, this wood-clad residence in Venice offers a refined yet relaxed coastal lifestyle. Set behind gates just over a mile from the beach, the 3,308-square-foot home embraces natural materials, clean lines, and seamless indoor-outdoor living. Expansive glass walls in the open-plan kitchen, dining, living, and den areas lead to multiple sun-filled outdoor spaces. It includes Fleetwood floor-to-ceiling windows, offering complete privacy from the outside, that lead you to the generous balcony with views of Oakwood Park. The fireplace and separate seating area, oversized walk-in closet, and spa-like ensuite with soaking tub completes the primary retreat. Another three vaulted ceiling bedrooms, two bathrooms, and a dedicated laundry room round out the upper level. Up one more level you will find the rooftop patio with expansive neighborhood views. Thoughtfully designed for both tranquility and entertaining, the home also features an outdoor fire pit, outdoor shower, and lush garden vignettes.
