5 Bedroom, 5.00 Bathroom, 3,816 sqft  
Residential on 0 Acres

N/A, Los Angeles,

Imagine floating above Lake Hollywood, resting just below the iconic Hollywood Sign place where the landscape feels borrowed from a memory, sun-bleached and shimmering. This singular modern residence captures the essential, ephemeral beauty of Los Angeles: cinematic, immediate, and impossible to replicate. This architectural statement features five bedrooms, including a primary suite which captures the view as if it were a private inheritance. The en-suite in-home spa-style bathroom offers a moment of wonder, a bathtub turned toward the Sign itself. Three-and-a-half other bathrooms are also appointed with refinement. The public spaces are an exercise in volume and light: a grand entry poised for art and arrival, an open living-dining-kitchen plan (with a dedicated coffee and tea bar), a private projection room, and floor-to-ceiling glass that pockets away, dissolving the division between interior and exterior. Under the endless California sky, life unfolds: a sparkling pool and spa with a cascading waterfall, a covered and heated dining pavilion, a built-in barbecue, expansive decks made for lounging, and a conversation area crowned by an oversized fire pit - ready to gather a constellation of friends against the night. From every angle, the views are a master class in Los Angeles mythology: city lights, Lake Hollywood's quiet waters, and the embracing hills beyond. A rare real estate offering for those who understand that in this town, the true luxury is in the light, the air, and

the view.
