Residential on 0 Acres

N/A, Los Angeles,

First time on the market in nearly 70 years, this cherished 1929 Spanish home is ready for its next steward. Perched on a generous 7,800+ sq ft lot in the hills of View Heights, the two-story residence offers nearly 2,100 sq ft of living space and showcases a wealth of original architectural details. The formal magnesite entry and staircase set the tone, leading into a light-filled living room with a fireplace and large picture window. Formal dining and breakfast rooms provide elegant entertaining spaces, while a dedicated laundry area just off the kitchen adds everyday convenience. A bedroom with an adjacent bath on the main level offers flexibility for guests or a home office. Upstairs, two spacious bedrooms include one with dual closets and another with a private, covered balcony offering views of the downtown Los Angeles skyline. A covered balcony off the upstairs landing overlooks SoFi Stadium and the horizon beyond. The main level features newly upgraded vinyl wood flooring, while the original hardwood flooring remains upstairs. A large bonus room is located behind the garage, offering endless potential for a studio, gym, or workspace. The property includes an attached 2-car garage, a wide driveway with space for 3 cars, and a separate, long carport for 2 additional vehicles. A gated forecourt creates a charming sense of arrival, and the expansive, usable backyard offers ample space for outdoor living or the addition of a pool. This is a rare opportunity to personalize a

classic Spanish beauty in one of Los Angeles' most storied neighborhoods.
