Residential Lease on 0 Acres

N/A, Pacific Palisades,

Occupying a broad site on the south rim of the Palisades Riviera, this renovated mid-century home overlooks Santa Monica Canyon, Santa Monica Palisade, and Will Rogers Beach.

Enter the home through a pedestrian-gated private garden where you are welcomed by a brightly warm sculpture. Though warm wood floors and the crisp hearth punctuate the open living & dining room, your eyes move immediately and easily through glass walls to the terrace, pool, and views beyond. The kitchen, 2 guest bedrooms (or ground level primary), and 2 bathrooms occupy the remainder of the first floor. The second floor consists of another primary bedroom with a generous closet and an additional bedroom, each with en-suite baths. Above the two-car garage is a well-equipped guest house with kitchenette, walk-in closet, fireplace, and full bath. But the focus is the cozy window seat looking out to the decks, pool, and view. The grounds provide many dining, seating, and viewing terraces. Ample parking, significant privacy, and wonderful views. Short jaunts to Canyon School, Rustic Canyon Park, and Will Rogers Beach.
