N/A, Pacific Palisades,

Located on an oversized, prime rim-side lot along prestigious Chautauqua Boulevard, this rare offering presents a unique opportunity to rebuild one of Pacific Palisades' most architecturally iconic estates. Formerly known as The Dragon, award-winning residence envisioned by Jae Omar and developed by JVE Development Group. The original home stood as a masterwork of design, craftsmanship, and narrative architecture. Spanning an expansive lot with sweeping canyon and partial ocean views, this site offers an extraordinary canvas for your vision. The property previously encompassed approximately 11,500 square feet of dramatic living space on three levels. Just moments from Palisades Village and elevated above the canyon for maximum privacy and exposure, the lot retains all the qualities that made The Dragon a celebrated residence. The property offers an excellent opportunity for discerning buyers, architects, or developers to reimagine or revive a residence of comparable scale and stature. Whether restoring the spirit of the original masterpiece or creating a new legacy, this property represents a truly rare chance to build on one of the most coveted streets in Pacific Palisades. Previous plans are available.
