N/A, Sunland,

At the end of a private road, atop a gated drive, lies a rare artistic retreat perched above the Angeles National Forest. Welcome to your compound in the hills. Set just minutes from Sunland-Tujunga, the property offers four distinct structures arranged to support a dynamic live-work lifestyle and blends nature, privacy, and creative possibility. The main residence is 2 bedrooms and 2 bathrooms, seamlessly blending modern upgrades with rustic charm. Exposed wood beams, hardwood floors, hand-laid adobe brick and fireplace compliment the remodeled kitchen and bathrooms. Across the courtyard is a detached studio apartment, as well as two standalone creative studios, each with their own entrance. A private plunge pool anchors the outdoor space with sweeping views of Big Tujunga Canyon. Hike and bike the miles of trails right outside your door. A space that offers sanctuary from the city, but easy access to it. Sunland-Tujunga was originally developed as an escape from LA because of its clean air, and is still where one can live amidst the mountains and the stars. Build a retreat, launch a creative venture, curate a compound. Zoned for visionaries - this is a canvas unlike any other.
