Nestled in the heart of Cypress Park, 2902 Idell Street is a soulful 3-bedroom, 2-bathroom home where vintage character meets laid-back California living. From the first step inside, the home's charm is unmistakable, anchored by an original inglenook fireplace that evokes old-world craftsmanship and sets the tone for a warm, welcoming space. The open living and dining area features hardwood floors, coved ceilings, and built-in cabinetry, hallmark details of classic Craftsman architecture. The kitchen offers a clean, functional layout with ample cabinet storage and easy flow into the adjoining living and dining areas. Both bathrooms are well-maintained and practical, including a convenient Jack and Jill layout that connects two of the bedrooms, making it ideal for shared use without sacrificing privacy.
