Welcome to the best of both worlds: One stunning architectural residence where sustainable luxury meets Scandinavian-inspired design PLUS a perfectly appointed California bungalow - all on one sprawling lot in PRIME Ocean Park! Nestled in the heart of nature, this thoughtfully crafted home by award-winning firm MINARC is more than a place to live - it's a sanctuary. Every detail of this 3-bedroom, 3-bathroom home has been designed with purpose and clarity. The minimalist aesthetic is balanced by the warmth of natural materials, including reclaimed wood, polished concrete, and expansive glass elements that blur the line between indoor comfort and outdoor serenity. Step inside and you're greeted by 2 story ceilings, an open-concept living space, and clean lines that frame the surrounding landscape like a living work of art. The stylish kitchen and living room flow seamlessly and are framed by a counter-weighted picture window that looks out to the bungalow and tree top views of a stunning, 100-year-old Cottonwood tree. The yard is a true retreat - the perfect setting for al fresco dining, quiet reflection, or entertaining under the stars (not to mention your own personal stream, filling the air with the calming sounds of flowing water). Built with sustainable principles at its core, the home uses innovative materials and systems that minimize environmental impact while

maximizing energy efficiency. The primary suite offers a peaceful retreat with floor-to-ceiling windows, a spa-like bath, and views that invite calm at every glance. Additional bedrooms offer flexible spaces for family, guests, or a home office while the picturesque, 1 bed/1bath Bungalow makes for an incredible addition to the family compound.
