A gated modern farmhouse by Thomas James Homes, 3740 Stewart Avenue is set on a quiet, tree-lined street in the heart of Mar Vista. Completed in 2019, the five-bedroom, four-bath home sits behind privacy hedging with a landscaped front yard anchored by a mature magnolia tree. A large front patio extends the living space outdoors and offers a setting for quiet mornings, evening gatherings, or a secure area for pets. Inside, wide-plank oak floors lead from the formal entry into an open-concept layout that connects the living room, dining area, and kitchen. A wall of sliding glass doors opens to the backyard, where a built-in grill, dining patio, and lounge area invite easy entertaining. The kitchen is centered around a substantial island with stone counters, custom cabinetry, and a built-in breakfast nook. One bedroom is located on the main level, ideal for guests or flexible use. Upstairs, a second living area provides an additional lounge or workspace, separating the remaining bedrooms for privacy. The primary suite features vaulted ceilings, a generous walk-in closet, and a bath with dual vanities, a freestanding soaking tub, and glass-enclosed shower. The home features smart home technology with Nest thermostats and a ADT security system, a separate laundry room, and a two-car garage with a driveway.
