This spacious floor plan in the community gives you a 2229 square foot residence that features contemporary Desert Mediterranean architecture that is surrounded by low maintenance desert xeriscape landscaping that includes expanses of high-grade front and back inviting green lawns that are easy care, high grade artificial turf. While the front yard has total curb appeal, the walled rear yard overlooks the championship Mission Lakes Golf Course and offers inspiring panoramic views of the surrounding Chocolate Hills and Mounts San Jacinto and Gorgonio. room in the Living Area to accommodate several seating areas, while you have large windows and a sliding door leading to the full-length backyard Patio and those gorgeous East loaded golf course views through the wrought iron raised fencing. Double doors from the Great Room lead to the Master Bedroom Suite on the South side of the home. The Master Bedroom Retreat is fully en-suite and includes its own sliding door to its own backyard Patio that overlooks the golf course, an ideal spot to spend some time with a cup of coffee in the warm morning air. The en-suite Master Bath complements the substantial size of the Master Bedroom and includes dual sinks with a make-up vanity area, a separate soaking tub and glass enclosed shower, and a discrete WC in its own room. The Master Bedroom walk-in Closet is huge, big enough to require its own window! On the other side of the home both of the Guest Rooms have a great degree of separation from the Master Bedroom suite, as well as the Great Room. The larger Guest Room is at the rear South side of the house with golf course views from its own sliding door. This first Guest Bedroom has a true walk-in Closet and a Jack-and-Jill entrance into the Guest Bath. This will give your special guests a true "suite" feeling with their own dedicated Bath during their visit. Even the third Guest Bedroom is pleasant in size. All Bedrooms and the Great Room include custom high end ceiling fans that promote true air circulation. The Guest Bath has a shower and tub combination and single sink. The end of the Guest Wing Hallway offers a large Laundry Room with stainless steel utility sink and matching GE Pedestal Washer and Dryer set. The Laundry Room is the access point to the oversized Three Car Garage with finished walls and Garage flooring. The HV/AC system is dually zoned for high efficiency, while double-paned thermal windows and slider doors throughout the home.

keep the electricity and gas costs down.
