Glassell Park is the setting for this stunning Ranch offering panoramic views, a flat yard, and a generous, light-filled interior.

Contemporary updates and character details bring out the best of 1950s design in the open-plan layout, where the sun-splashed living room with a decorative fireplace flows into the dining area, and glass sliders open to the backyard. Chefs will love the kitchen finished with white oak cabinets, quartz counters, a stainless appliance suite with induction oven, subway tile backsplash, and a breakfast bar peninsula. Three bedrooms include a serene primary with reeded wood panel walls and outdoor access. The ensuite bathroom is beautifully remodeled with a walk-in shower, and there is a stylish guest bath. Dine, relax, and play in the large flat yard while taking in the sweeping vistas. Amenities include custom fixtures, AC/heat, and a 2-car garage. Head up the street to Little Ripper, or explore local favorites Bub and Grandma's, Dunsmoor, The Grant, and more.
