Welcome to 11060 Hildreth Court, A Timeless Masterpiece in Camelot Estates. Tucked away at the end of a quiet cul-de-sac in Santa Rosa Valley's prestigious Camelot Estates, this custom-built Modern Colonial home offers nearly 5,700 sq ft of refined living space on a flat 1.12-acre lot. Located within one of Ventura County's most exclusive gated enclaves, this estate captures the essence of privacy, prestige, and peaceful living. From the moment you arrive, a grand tree-lined approach and manicured rose gardens lead to an inviting entry framed by sweeping views of Montclef Ridge. Inside, antique beveled-glass double doors open to a formal foyer with soaring ceilings, gleaming refinished solid oak floors, and elegant wainscoting, crown molding, and wide hotel-style hallways. The formal living room stuns with herringbone floors, custom drapes, and a centerpiece fireplace, while the family room features whitewashed brick, coffered ceilings, and twin French doors that open to the expansive backyard, creating seamless indoor-outdoor flow. At the heart of the home is a chef's dream kitchen with custom cabinetry, quartz countertops, white-washed Saltillo tile, and professional-grade Thermador appliances. A massive center island with dramatic pendant lighting anchors the space. Adjacent is a built-in breakfast nook and a charming butler's door that leads to the elegant formal dining room complete with designer wallpaper, wainscoting, chandelier, and French doors

opening to the yard. A remodeled powder room dazzles nearby, while a spacious guest suite with its own outdoor entrance and en-suite Italian-tiled bath provides privacy for multigenerational living or staff quarters. Two dedicated offices enhance remote productivity: a gentlemen's cigar library with fireplace, floor-to-ceiling shelving, a secret room, and bay windows, and a second space ideal as a craft room or homework zone with built-ins and natural light. Upstairs, the primary suite is a private sanctuary with vaulted ceilings, wainscoting, a double-sided fireplace, and French doors to a large balcony with unobstructed mountain views. The spa-inspired en-suite features dual vanities, a boudoir dressing area, double walk-in closets, a bay-set soaking tub, Carrara-style tile, a Jason Wu walk-around shower, heated towel racks, and its own fireplace. Three additional upstairs bedrooms each include en-suite designer baths, plush Berber carpets, and custom built-ins. Even the laundry room is upscale with butcher block counters, ample cabinetry, and bohemian tile flooring. Car enthusiasts and hobbyists will love the 4-car attached garage and separate RV garage with epoxy flooring and an industrial fan, ideal for a gym, workshop, or storage. Step into your private backyard oasis, where entertaining reaches new heights. The resort-style grounds include a luxurious pool and spa, a gravel firepit lounge, multiple seating and dining areas, built-in BBQ, fruit trees, rose gardens, wide green lawns, and 15-foot privacy hedges. Formerly used for weddings, this level, landscaped yard evokes the charm of a private park. Other features include five fireplaces, a billiard/game room with TVs, a dartboard, wet bar, and a walk-in wine closet. Additional upgrades include a solar lease system, dual-zone HVAC, remodeled 3,500-gallon septic tank, LED lighting, and access to affordable agricultural water. Living in Camelot
