N/A, Beverly Hills,

Inspired by Andrea Palladio and built to exacting standards 617 N Camden is a custom built, nearly 12,000 sqft estate, that marries the symmetry and proportion of Italian Renaissance design with the warmth of Mediterranean refinement. A residence of this proportion cannot be replicated and is one of the most important offerings in the Beverly Hills Flats. Privately gated on prime 600 block featuring hand-carved arches, soaring volumes, and sculptural finishes that echo the timeless elegance of Pelican Hill. The two-story foyer makes an immediate statement with its dramatic ceiling height, inlaid stone medallion flooring, custom wall insets ideal for curated art, and a sweeping staircase crowned by a wrought iron skylight. The main level is designed for elevated entertaining, featuring a formal living room with a carved stone fireplace and coffered ceiling, a richly paneled Presidential office with floor-to-ceiling built-ins, formal dining room, chef's kitchen with Viking appliances and illuminated stone counters, and a family room that opens directly to the backyard. Upstairs, the primary suite offers a fireplace, private sitting area, balcony overlooking the grounds, a stone-wrapped bath with soaking tub and steam shower, and a custom walk-in closet. Three additional en-suite bedrooms and a second family room complete the upper level. The lower level is designed for true leisure and indulgent hosting, with a private 12-seat theatre featuring a Rolls-Royce inspired bespoke

Starlight headliner and backlit onyx snack bar. A full wellness retreat with gym, sauna, steam, and massage room is accented by a game room, full bar, 1,000-bottle temperature controlled wine cellar and outdoor atrium. Outdoors, the grounds are wrapped in privacy hedging and citrus trees. A resort-style pool with water features and fire pit is framed by a covered loggia with fireplace and outdoor TV, alongside a pool house lounge ideal for entertaining. Additional amenities include a separate maids quarters, elevator, a full Crestron smart home system controlling lighting, AV, pool, and security. 617 N Camden Drive is a rare opportunity to own a timeless, irreplaceable estate in one of most coveted enclaves in Beverly Hills.
