Endless Possibilities on this Large Lot in Prime North Inglewood! Welcome to 1043 E 66th Street, a spacious 3-bedroom, 3-bath home offering nearly 1,500 sq. ft. of living space on a generous 7,000 sq. ft. lot. Originally a 4-bedroom layout, the home features a flexible floor plan perfect for customization. One of the bedrooms includes a separate entrance, creating an ideal setup for rental income, a guest suite, or private home office. Though in need of some repairs and updating, this property is a blank canvas ready for a visionary buyer to restore, redesign, or redevelop. The oversize backyard has 2 large Barn style Tuff sheds for extra storage and still has ample space for your imagination to design. Zoned for higher density, the lot may offer the potential to add an ADU or additional unit (buyer to verify). Located just moments from the recently renovated Edward Vincent Jr. Park, you'll enjoy close proximity to green spaces, retail, dining, and convenient freeway access. Whether you're an investor, developer, or buyer looking to create your dream home, this is a rare opportunity to unlock value in one of Inglewood's fast-growing neighborhoods.
