N/A, Santa Monica,

Meticulously remodeled and furnished home - by a designer whose credits include some of the most prestigious hotels in Miami Beach. This home was built to feel like an indoor/outdoor oasis with its many floor to ceiling windows that help to bring the outside in. Very private with lush gardens that conjure up images of a private villa somewhere far away. Relax in the saltwater pool and enjoy your meals in one of the outdoor heated dining areas on the property. The house is fully furnished, the kitchen is fully stocked and linens are included as well. There is also a Tesla charger in the front driveway. It's like a hotel, just better! Minutes away from Montana Avenue shops and restaurants and the beach.

Built in 1924
