N/A, Pacific Palisades,

Build Your Dream Home in Pacific Palisades. 1035 Hartzell Street presents a rare opportunity to build new construction in the desirable Alphabet Streets neighborhood of Pacific Palisades. Located in the heart of the neighborhood, the location offers convenient access to Palisades Village, shopping, dining, and nearby recreation facilities soon to be revitalized, while still offering a peaceful residential setting. This charming, community-oriented neighborhood is undergoing a thoughtful transformation. A recent poll of "Alphabet" homeowners revealed that 70% plan to rebuild. With new construction already underway, this is an exciting time to join the Palisades revitalization. 1035 has been professionally cleared by the Army Corps of Engineers. Soil testing by the Clean Soil Project at USC confirmed that lead levels are safely below EPA safety standards and well under the toxic threshold. The previous structure was a 1,080 square foot (per public record) 1947 original home.
