N/A, Pacific Palisades,

Nestled in the highly sought-after Alphabet Streets, this 6,036-square-foot homesite presents an opportunity to build new in one of Pacific Palisades' most cherished neighborhoods. Just a few blocks from the heart of Palisades Village, the location offers a seamless blend of coastal charm and modern convenience. Previously home to a 2008 Cape Cod residence featuring 5 bedrooms, 5 bathrooms, and a rooftop deck with awe-inspiring views of the Pacific Ocean and Santa Monica Mountains, the property is now a blank canvas with extraordinary potential. Per architectural consultation, a new home of up to approximately 4,950 square feet may be permissible, subject to buyer verification. Included in the sale are architectural plans for the former residence, a 2025 topographic survey, and completed Phase I and II environmental remediation -- offered at no additional cost to the buyer. Ideally located with quick access to acclaimed local amenities, the beach, and the greater Westside via Sunset Boulevard, 1117 Chautauqua represents a compelling opportunity for builders, visionaries, and end-users alike to create a bespoke coastal retreat in a premier enclave.
