Enchanting South of the Boulevard Retreat- Tucked away on a peaceful block, this enchanting single-level ranch blends rustic charm with romantic appeal. Vintage terra cotta floors and exposed wood beams give this a country vibe in the city. Surrounded by lush greenery, a tranquil forest-like setting awaits: Complete with shaded patios, porches, a sparkling pool, and a relaxing hot tub beneath mature trees. Inside, natural woodwork, hardwood floors, and three sets of French doors create a warm, inviting atmosphere. A cozy fireplace anchors the living space, complemented by a formal dining room and a sunny eat-in kitchen. The spacious bathroom and generous layout offer comfort and flexibility, while raised garden beds and fruit trees add a touch of homestead charm. While the home could benefit from a little TLC, it boasts immense character and potential in one of the Valley's most desirable neighborhoods.
