Storybook 1930s Tudor Revival with Sweeping Views in Los Feliz Hills. Perched high in the coveted Los Feliz Hills, this magical 1930s Tudor Revival - designed by Walt Disney Estate architect F. Scott Crowhurst - blends timeless elegance with today's comforts. Inside, a dramatic living room features vaulted wood-beamed ceilings, leaded-glass windows with panoramic views, and a grand fireplace. Original wrought iron details lead to a stylish cocktail bar and formal dining room, which flows into a beautifully updated chef's kitchen with stone counters, a center island, custom built-ins, and nearby powder and laundry rooms. An ensuite guest room and cozy den with fireplace round out the main level. Upstairs, the bright primary suite offers breathtaking views, a serene marble spa-like bath with soaking tub and separate shower, and a generous walk-in closet. An additional bedroom completes the second floor. To access outside, two sets of French doors open to a private, landscaped backyard with tranquil fountains, mature greenery, and a wisteria-covered dining area - plus room for a pool. A charming potting shed - turned artist studio adds a whimsical touch. A detached two-car garage includes 220 for car charger and a fully finished bonus studio above, ideal for a home office, gym, or creative retreat. This rare Los Feliz gem captures the romance of Old Hollywood with the ease of modern living.
