N/A, Santa Monica,

An Impeccable, Designer-Done Beach Bungalow in the heart of Ocean Park. Step beyond the gated entry and mature olive trees into a private oasis where peace and refinement meet. Tucked in on one of Ocean Park's best streets, this revitalized beach bungalow - originally reimagined by acclaimed designer Chad Eisner - offers an extraordinary living experience defined by simplicity, quality, and thoughtful craftsmanship. Inside, every detail has been curated to perfection. Wide plank oak floors, custom plaster walls, and wood-slatted ceilings set a warm, organic tone, while an entertainer's kitchen and Savant audio system seamlessly blend form and function. Indoor spaces flow effortlessly to the outdoors, creating a harmonious connection to nature throughout. The generous primary suite, nestled at the rear of the property, features a custom built-in office space and opens directly onto a lush garden sanctuary complete with a fire pit and barrel cedar jacuzzi - an ideal retreat for both productivity and relaxation. A tranquil water feature greets you at the entrance, setting the tone for the serenity that defines this home. With a newly installed solar system to help reduce utility costs, this is a truly rare opportunity to lease a property that feels like a permanent vacation. In today's world, where home is more important than ever, this sanctuary offers an unparalleled sense of calm and inspiration.
