N/A, Beverly Hills,

One of the best architectural mid-century homes built in Trousdale on a flat half-acre lot with city views of West LA, OSKLO House is an approx. 6,200 SF estate by Benton & Parks AIA, 1966, that has been completely reimagined by OSKLO. A dramatic courtyard with a sculptural fountain frames the front entrance to this fully furnished turn-key home. The living room, with oversized fireplace and floor-to-ceiling windows, creates a stunning entrance to this mid-century masterpiece. A collection of custom OSKLO furnishings, museum-level antiques, and vintage pieces throughout the home perfectly accent the materials and finishes. No expense was spared. The kitchen is the epitome of Beverly Hills living with breakfast nook, butler's pantry, and a panel of windows that open to an outdoor garden. The unparalleled primary suite showcases nearly \$1-million of stonework and offers wraparound windows that look out over the backyard with city lights in the distance. A long hallway overlooks the Japanese-inspired atrium and leads to 3 ensuite bedrooms. An additional ensuite bedroom near the kitchen as well as a pool bath near the outdoor cabana make this the perfect home for entertaining/hosting family and guests. Outside the angular pool pavilion features multiple gathering areas, a swimming pool, firepit, and outdoor bar. This home is the epitome of Trousdale mid-century indoor/outdoor living.
