Make all your Mid-Century dreams come through at this spectacularly remodeled Palm Springs Modern located in one of the most manicured neighborhoods in all of LA. Meticulously reimagined with the utmost care, the owner painstakingly preserved the original mid-century details of the home such as the glass-walled entryway atrium and the sunken tub and rain shower in the primary suite, while also modernizing to today's standards with wide plank oak floors, floor to ceiling Fleetwood sliding glass doors, and the perfect open floor plan that maximizes indoor/outdoor flow. Set on a compelling, over-sized 9,000 square foot lot and combined with a gated entryway courtyard, the property has a private compound feel. A formal entryway with the original terrazzo floors leads you to the state of the art kitchen, which is highlighted by an onyx waterfall style island, custom cabinetry, floating shelves, and a stylish Cafe fridge. The kitchen and breakfast nook open into the sundrenched formal dining room and the spacious living room that features the original rock-clad wood burning fireplace. These rooms effortlessly open onto the wood-paneled covered patio and into the backyard, who's mature hedging provides privacy to the sparkling pool and spa and is the perfect setting for entertaining. The sumptuous primary suite features more floor to ceiling Fleetwood sliding doors that open to the backyard, a row of double door closets provide ample storage, and a gas fireplace adds to the

stunning ambiance of the space. The primary bathroom is a sight to behold with a custom dual vanity, sunken terrazzo tub, giant overhead rain shower, and a second atrium that floods the space with light. Three additional good-sized bedrooms and one and a half bathrooms round out the home. Additional highlights are the walk in pantry, laundry room with room for a dual washer and dryer, and a spacious 3 car garage that is ideal for your car collection or additional storage. This thoughtful, stylish home is a unique find, all while being in a quiet location that is an 8 minute drive to the beach, with easy access to the 405, Culver City, Beverly Hills, and LAX.
