N/A, Pacific Palisades,

Perched above the Alphabet Streets with sweeping Pacific Ocean and Santa Monica Mountain vistas, this 5,006 SF parcel offers an exceptional canvas for a custom coastal residence. Prior to the recent wildfire, the site held a single-level home built in 1950; today, it stands cleared, with final debris removal certification in place -- ready for vision and execution. Elevated and private, the lot captures both dramatic views and an intimate neighborhood setting, just minutes from Palisades Village. With effortless access to Sunset Boulevard and PCH, this is a rare opportunity to create a dream home while contributing to the revitalization of one of the Westside's most beloved coastal enclaves.
