N/A, Venice,

Life at 1023 Superba Ave flows easily with 10-foot ceilings and a wide-open great room that set the stage, a kitchen where weeknight pasta comes together as easily as weekend baking projects, and Fleetwood sliders that send everything outdoors to a backyard built for barbecues, spa soaks, and long Venice evenings. Built in 2015, this modern farmhouse combines polished design with an easy, everyday rhythm. Wide-plank wood floors and a sleek gas fireplace anchor the main level, while the kitchen strikes the perfect balance between form and function: Carrara counters and Thermador appliances add refinement, and a large pantry and oversized island make prep work and cooking seamless. Two sets of sliding doors lead outside onto a mahogany deck with built-in BBQ and sink, an in-ground spa, grassy lawn, and multiple patios where friends linger and nights stretch a little longer. Upstairs, the layout keeps life simple: all bedrooms on one level, plus a den and laundry room. The primary suite is its own retreat with a largewalk-in closet, spa-like bath with soaking tub and oversized glass shower, and a private terrace that feels like an outdoor living room. A two-car garage plus additional driveway parking add ease to daily life - a rare find in Venice. And when you're ready to step out, the best of Venice is right nearby - morning coffee at Companion, dinner at Superba, errands at Whole Foods, or a stroll down Abbot Kinney.
