Residential on 0 Acres

N/A, Los Angeles,

Set in the historic Mount Angelus neighborhood, this exquisite 3+2 Spanish revival showcases original architectural details at every turn. Panoramic views to Downtown LA allow glimpses of Figueroa, where iconic Frank's camera, and the Highland Park theater peek through. The front grounds are a lush tapestry of succulents, fig trees, candelabra aloe, and yucca. The front steps ascend, while wrought iron railings, entwined with bougainvillea, guide the journey to a vintage horse-knocked front door of rich stained wood. Refined Interiors, bathed in a warm golden light from dusk to dawn, feature distinctive character detail such as hardwood floors, high cove ceilings, stained wood windows, and French windows and doors. In the living room, high stepped ceilings center around a decorative fireplace with moorish-style design vents, bay window stretches from floor to ceiling, and art deco candle sconces add glamour. The dining room is magical with dazzling Moroccan pendant lamps. The kitchen is spacious with abundant counters, stained wood cabinets, and Saltillo tile floors adorned with mini Spanish tile flourishes. Renovated bathrooms highlight octagonal marble tile in the full bathroom and mediterranean blue tile in the rear bathroom. Our Lady of Guadalupe tile feature is seen in the rear bathroom and outdoor shower - she is the symbol of hope, unity, and love. Rear primary bedroom French doors lead to a sanctuary with patio, Saltillo tile, and gorgeous

rear yard loaded with bougainvillea, geraniums, and cacti. The terraced garden, seating areas, spa, fountain, and outdoor shower offer respite and renewal. Close by is Highland Park's cultural hub on Figueroa, featuring Civil Coffee, Kitchen Mouse, Triple Beam Pizza, Cookbook, The Lodge, and countless other shops and eateries.
