N/A, Beverly Hills,

Welcome to this stunning 5 bedroom/6 bath Mid-Century home in Beverly Hills' coveted Trousdale Estates. Situated on nearly half an acre of flat land, you'll discover the quintessential Trousdale layout with walls of glass showcasing the over-sized pool and twinkling canyon lights. Pull behind the gate, and you'll feel worlds away from LA. Enter the foyer, and you'll immediately be drawn into the grand living room with statement fireplace, a sunken bar and an adjacent formal dining room. The doors open to provide seamless access to the expansive outdoor patio with flexible seating areas, an outdoor dining area and firepit. The large, original pool has been newly re-finished and is ready for a leisurely afternoon dip or a quick round of laps. Beyond the pool sits an expansive lawn. Big enough for a game of football or soccer, and serene enough for an afternoon yoga session in the shade of a structural oak tree and mature palms in a park-like setting. Three bedrooms sit at the back of the property. The primary bedroom anchors the home, offering dual closets and an en-suite bathroom with soaking tub. Two additional bedrooms and a large office with patio round out the rear of the home. Afternoon sun pours into the chef's kitchen with island seating and an over-sized breakfast nook. You'll also find an additional bedroom perfect for an au pair or in-law. Beyond the dining nook lies a large family or game room plus an additional bedroom perfect for guests. Complete with a separate entrance

this area could also be utilized as a studio space or private home office. Originally built in 1960, this home was fully renovated in meticulous detail over the last year-plus. Its versatile layout offers just the right home for a wide range of uses.
