N/A, Altadena,

This desirable rectangular parcel offers approximately 7,159 sq ft of prime Altadena land. Zoned LCR175 (low-density residential), it presents an excellent opportunity to design a custom home with mountain views. According to public records, the previous 1,480 sq ft home with 3 bedrooms, 2 bathrooms, and a detached 2-car garage was lost in the Eaton Fire. A 130 sq ft detached studio remains intact. Phase 2 Debris Removal has been completed, and the lot had access to all utilities before the fire. The original river rock retaining wall and large flagstone pavers still remain, adding a sense of character and charm. The sellers valued their time here, enjoying hikes, peaceful evenings, and the natural beauty of Altadena and its close-knit community. The property is being sold as-is, for land value only, but full of potential and ready for its next chapter.
