N/A, Altadena,

Discover a rare opportunity to reinvent a space in the much-loved area of Altadena, nestled near scenic hiking trails and the renowned JPL. The previous residence offered a generous 1,729 square feet with 3 bedrooms, 2 bathrooms, and a detached 2-car garage on an expansive 13,600 sq ft lot. This property invites you to design a custom home, garage, and an ADU, with plenty of room left for a lush garden. Revel in breathtaking mountain and sunset views, complemented by the presence of two majestic oak trees. Though the original home was lost in the Eaton fire, this property is offered "as is" for land value only, presenting a blank canvas for visionary buyers.

Environmental assessments (EPA Phase 1 & 2) have been completed. Historically intriguing, this parcel may have ties to the original Alta-Dena Dairy, owned by Charles Sunderland, as suggested by the nearby "Creamery" parcel.
