Incredible Opportunity Updated Pool Home at  
a Discounted Price!

This  
stunning property was fully refreshed just last  
year with a brand-new pool and spa (with  
updated equipment), new windows and doors,  
modern lighting, a new bathroom and shower  
enclosure, fresh landscaping, a stylish front  
door, interior paint, and a built-in BBQ. Every  
detail was thoughtfully designed with comfort  
and style in mind.

Originally planned for sale, the home was  
lovingly retained by the owner. However, due  
to unforeseen health circumstances and  
pre-foreclosure, this exceptional property is  
now available at a rare, discounted price.

The  
bones and upgrades are already in place what  
it needs now is simply a deep clean and a little  
landscaping love to bring it back to its full  
sparkle. The seller is even offering a credit to  
help the new buyer refresh, deep clean, and  
reset, making this an amazing chance to  
secure a move-in-ready home with built-in  
equity.

Private showings only don't  
wait on this one. Opportunities like this don't  
come around often. With last year's upgrades,  
a resort-style backyard, and a motivated seller,  
this home is ready to welcome its next family.

Act  
quickly and make your offer today this gem  
won't last long!
