4 Bedroom, 2.00 Bathroom, 1,709 sqft

Residential on 0 Acres

N/A, Culver City,

In the heart of Playa Vista, this single-level Mid Century home blends timeless character with modern comfort across 1,709 square-feet of living space. Enter to an expansive living and dining room centered on a classic brick fireplace, creating a warm and inviting atmosphere. Here, large windows line the space, inviting in radiant natural light throughout the interiors. The kitchen charms with period tile countertops, abundant storage, stainless steel appliances--including a gas cooktop and double ovens--and a cheerful breakfast nook. Flow seamlessly through glass sliders that open to a generous covered patio and private backyard with a grassy lawn and lush landscaping, ideal for relaxing and entertaining. Four spacious bedrooms with ample closet space provide comfort, including one with direct access to the backyard--making it versatile for a home office, den, or media room. Thoughtful amenities include new flooring throughout, central AC/heat, a storage shed, a laundry area, and an attached two-car garage. Supremely located near neighborhood favorites, including Westfield Culver City, the Ballona Creek Bike Path, Whole Foods, and just minutes to the beach, this home delivers convenience and charm in a prime Westside setting.
