Residential on 0 Acres

N/A, Studio City,

Located in the heart of highly sought-after Colfax Meadows and within the acclaimed Carpenter Community Charter School District, this beautifully finished home blends timeless design with modern amenities to deliver effortless California living. Bathed in natural light, the thoughtfully designed floor plan offers five bedrooms and three bathrooms, with two bedrooms conveniently located on the main level and three generously sized bedrooms upstairs including a spacious and serene primary suite. At the center of the home, the chef's kitchen is as functional as it is elegant. It features a six-burner Viking range with pot filler, double convection ovens, a convection microwave, a large center island with vegetable sink, and abundant custom cabinetry. Warm wood floors run throughout the main living spaces, which include a formal dining room, two fireplaces, and an airy, open living room ideal for both everyday comfort and stylish entertaining. The inviting family room includes built-in surround sound, a fireplace, and French doors that open seamlessly to a spectacular outdoor haven. The backyard is an entertainer's dream, meticulously designed with high-end finishes and resort-style amenities. A PebbleTec pool and spa are paired with new equipment and a smartphone-enabled iAquaLink system. Elegant TimberTech decking connects to a fully equipped outdoor kitchen and L-shaped BBQ station, complete with a built-in beverage tap and multiple gas line hookups including

one for the built-in fire pit. Restoration Hardware water features add sophistication, while a fully integrated underground drainage system with sump pump ensures year-round usability. A fully roofed pavilion offers an ideal setting for outdoor gatherings, equipped with cable and electric hookups, dual 220V Bromic heaters with timers, and a manual sun/privacy shade providing comfort and function in every season. Additional highlights include a dedicated dog run with built-in drainage, professional landscape lighting, and custom plantation shutters throughout the interior. The garage is pre-plumbed and wired for flexible multi-use potential perfect for a gym, studio, or workshop. Dual Nest-controlled HVAC systems and a tankless water heater ensure year-round energy-efficient comfort. Just a short stroll from Tujunga Village, Woodbridge Park, and the best of Ventura Boulevard's shops and restaurants, this exceptional home offers comfort, function, and location all in one of Studio City's most desirable neighborhoods and school districts. Completely remodeled in 2014, backyard totally redone in 2023.
