N/A, Los Angeles,

Mid-century gem privately tucked behind gates on a sprawling 1.4-acre lot in Bel Air with exceptional views from the city skyline to the Pacific Ocean. Wood-carved double doors lead into the expansive living room lined with vaulted ceilings and concrete flooring, paying homage to true mid-century design along with the stone fireplace. Wall-to-wall glass sliding doors harmoniously blend indoor-outdoor living, providing access to the patio for dining al fresco, and flood the interior with natural sunlight throughout. A chef's kitchen, dining room, and four bedrooms with updated en suites complete this functional floor plan. A stone pathway, framed by lush greenery, leads to the expansive in-ground pool with an abundance of lounging areas to enjoy this tropical oasis. An oversized motor court plus a three-car carport ensure ample parking. Seldom does a property offer land and views in one of the most highly coveted locations in Los Angeles while also providing an opportunity to reimagine for value add.
