N/A, Los Angeles,

Find yourself among the treetops at 2525 Outpost a 3-bed, 3.5-bath home with an additional 1-bed, 1-bath attached guest apartment. Reimagined by Ome Dezin, Los Angeles' restorative design studio, it's where high design meets grounding energy: natural woods, organic tiles, bespoke doors, and bright sun pouring through skylights. A long, gated driveway ensures privacy, while an effortless living room welcomes all. The warm-yet-modern kitchen and dining area open to the olive tree garden. But if we're honest, the built-in banquette will become your everyday table. The primary suite evokes a Mediterranean retreat with an in-room soaking tub, fireplace, and walk-in double shower. Guest rooms flow to the pool, each paired with a bathroom full of personality. The apartment is ideal for visitors or an inspiring creative studio. Wander in and out to the deck, pool, and outdoor kitchen. A few more steps take you to a glass meditation room arguably the most peaceful corner of LA. Elevated yet livable, surrounded by nature yet neighboring Hollywood's most iconic spots, 2525 Outpost is designed for a life of harmony.
