N/A, Sherman Oaks,

A tasteful reimagining by Louis & Rose, this residence seamlessly fuses the glamour of Hollywood Regency with the clean lines of Mid-Century design elevated by modern luxury and meticulous craftsmanship. Nestled in the Sherman Oaks hills, this 4-bedroom, 4-bathroom home on a corner lot with sweeping, unobstructed views of the hills and San Fernando Valley. The open-concept layout centers around a dramatic Great Room where living, dining, and kitchen spaces converge beneath soaring ceilings and wide picture windows. Herringbone oak floors, a custom stone fireplace, gallery-style art lighting, and a suite of Miele appliances speak to the elevated finishes throughout. A full Control4 smart home system with integrated speakers inside and out adds effortless functionality to the curated elegance.

Designed for both grand entertaining and everyday intimacy, the home flows seamlessly from indoors to out. A serene central courtyard anchors the floor plan, while the backyard features an Italian stone-clad outdoor kitchen perfect for al fresco dining and gatherings.
