N/A, Los Angeles,

4934 La Roda Avenue is a fully reimagined mid-century home where no detail was overlooked. Every inch of this 3 bedroom, 2 bath residence has been meticulously renovated with the highest quality materials and a designer's eye for both beauty and function. The open living, dining, and kitchen spaces are grounded by solid white oak flooring and dramatic Douglas fir ceilings, creating a warm architectural backdrop. Natural light pours through, highlighting the craftsmanship and clean, modern lines throughout. At the heart of the home, the chef's kitchen is both refined and practical. Custom inset wood cabinetry, striking quartzite counters and backsplash, and a carefully selected suite of premium appliances include a Bosch dishwasher, Fisher & Paykel paneled refrigerator, and a professional grade Wolf gas range with pot filler and Zephyr hood. Every element was chosen for its quality and design impact. Both bathrooms are fully tiled and distinct in character. One is wrapped in bold green Zia tile with black marble floors. The other is finished in timeless Carrara marble. The primary suite includes a custom walk in closet with built ins, balancing luxury with everyday practicality. One of the additional bedrooms features a built in desk and a glass door that opens directly to the front patio, making it ideal for a home office or creative studio. Beyond the aesthetics, every system is brand new. HVAC, tankless water heater, laundry appliances, and even the custom

wood garage door have all been newly installed. Outdoors, a Brazilian hardwood deck and fenced yard with mountain views extend the living space with the same attention to detail. Set on a 5,703 square foot lot in the heart of Eagle Rock, the home is just moments from the vibrant shops, cafes, and restaurants along Colorado Boulevard. This is not just a remodel. It is a complete reinvention, designed and built with uncompromising quality.
