Residential on 0 Acres

N/A, Monterey Park,

There's something about Harrison Road. The trees. The stillness. The way life slows down just a little on this stretch. And for the first time in more than three decades, one of its original homes is ready for what's next. This single-story ranch holds three bedrooms, two baths, and the kind of layout that just works. The garage is large. The driveway is long. The backyard offers the kind of privacy that invites you to stay a while. Inside, it's a true fixer. Ready for new ideas, clean lines, and whatever materials you've been pinning at midnight. The structure is solid. The vibe is easy. You can take your time here and make it your own. Whether you keep it classic or reimagine it completely, this is one of those homes that sticks with you. Great street. Great potential. Rare opening.

Built in 1959
