N/A, Los Angeles,

Behind a private arched entry, this discreet hillside compound by Vidal Design Collaborative blends Spanish Revival charm with refined modern updates. Fully renovated in 2021, the home layers art deco accents with contemporary comforts, creating a retreat that is both stylish and highly functional. An expansive multi-level courtyard with fire pit sets the tone for year-round entertaining, while a converted garage provides the ideal setting for a home office, studio, or gym. Inside, the main level features wide-plank European oak floors, curated lighting, and a custom kitchen with premium appliances and tailored finishes. Large windows frame hillside views, while a flexible bedroom or office with en-suite bath adds convenience and versatility. The lower level is anchored by a serene primary suite with bespoke cabinetry and a spa-like bath appointed with heated floors, a cast-iron soaking tub, and designer fixtures, complemented by a second en-suite bedroom for family or guests. On the garden level, a fully permitted ADU with private entrance provides rare flexibility; most recently generating \$3,500 per month in income, it can serve equally well as a rental, guest quarters, or multi-generational living space. Outdoors, a landscaped backyard and terraced areas offer privacy and calm, perfect for gardening, dining, or simply enjoying nature. Tucked in Franklin Hills between Silver Lake and Los Feliz, this residence combines architectural pedigree, flexible living, and a true sense of privacy in

one of Los Angeles' most sought-after enclaves.
