N/A, Los Angeles,

This Spanish-style Westchester residence was taken down to the studs and fully reimagined by a seasoned interior designer, completed in 2022 with impeccable attention to detail. Every space blends modern luxury with timeless character, from the wood-burning fireplace with a gas starter to custom ironwork railings and hardwood floors. The chef's kitchen is a showpiece, featuring custom wood cabinetry with Rejuvenation hardware, Arabescato marble counters, and top-tier European appliances including an ILVE 40" range, brass pot filler, and Fulgor Milano built-ins. The spa-like primary suite boasts a double vanity with Arabescato marble, a freestanding soaking tub, and an oversized shower with Kallista rain fixtures. Designer window treatments and curated finishes throughout underscore the home's elevated design. Outside, drought-tolerant landscaping, automatic lighting, and citrus and fruit trees create a private backyard retreat. A finished garage with 200v EV charging outlet completes this turnkey offering. Ideally located on a quiet, welcoming street, just minutes from Playa del Rey, Playa Vista, Silicon Beach, and LAX, this home delivers a rare blend of coastal convenience, Spanish character, and true designer pedigree.
